

Google Classroom

We are sorry that for so many the Wonde Magic Badges have not worked at home. They are working in school and enable class teachers to have all their classes logged on to the Chromebooks in a matter of seconds!

Today, your child will come home with a letter that lists all their unique usernames and passwords for all home learning applications.

A new Google Classroom link has been added to the Virtual Classroom tab on our school website. You will need to use this link to access Google Classroom.

Harvest Festival

Thank you! It has been wonderful to send your generous donations to Hull Foodbank. In such challenging times, it is great to be able to come together and make a difference in our community.

Flu Immunisation

The Immunisation team will return to school on Friday 13th November during the afternoon, to complete the administration of flu vaccines to Years 3; 4 and 6.

National Lockdown

As we move into a new lockdown, help us to keep our school community safe. When dropping-off and collecting your child, please remember to:

Wear a face mask

Maintain and respect 2-metre distance from others at all times

Avoid arriving too early

Leave the school site and surrounding paths promptly

And remember that only ONE adult should accompany your child. Thank you.

Red for Remembrance

On Wednesday 11th November we will use art and history topics across the school to help children reflect and remember those that have lost their lives serving their countries.

For a suggested cash donation of £1 in support of the Royal British Legion Poppy Appeal, children are invited to come to school wearing something red. Thank you for your anticipated support.

Parents Evening

Your child's class teacher will try and ring you next week (9th – 13th November) to discuss how your child is settling in and their progress so far. Remember that the phone call may come from a withheld number. If the staff member is unable to contact you, they will try another time.
